

## The Business End of Being a CFI...

What does being a "GOOD" CFI mean to you?  
What does being a "GREAT" CFI mean to you?  
More importantly, how would your students rate you as a CFI? Intangibles are often more powerful influencers than direct aviation knowledge.

In this CFI Forum we will examine some intangible CFI characteristics that can create for our students a better educational environment and better "value proposition" for their time and effort.
